RE: Case No. 2014-00024 – East Kentucky Network
        Filing Deficiencies

The Commission Staff has reviewed East Kentucky Network's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:001 Section 14(3):
If a limited liability company, the applicant shall identify in the application the state in which it is organized and the date on which it was organized, attest that it is in good standing in the state in which it is organized, and, if it is not a Kentucky limited liability company, state whether it is authorized to transact business in Kentucky.

807 KAR 5:063 Section 1(1)(q):
A statement that notice of the location of the proposed construction has been published in a newspaper of general circulation in the county in which the construction is proposed.

The statutory time period in which the Commission must process this case will not commence until the above–mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
