IN THE MATTER OF:

APPLICATION OF EAST KENTUCKY POWER)	CASE NO.
COOPERATIVE, INC. FOR APPROVAL OF AN)	2014-00034
ECONOMIC DEVELOPMENT RIDER)	

NOTICE OF WAIVER OF HEARING

Comes now East Kentucky Power Cooperative, Inc. ("EKPC"), by and through counsel, and moves the Kentucky Public Service Commission ("Commission") to accept its request for submitting the case for adjudication on the existing case record without a hearing. In support of this Motion, EKPC states that the Commission entered an Order on February 20, 2014, suspending EKPC's proposed "Section EDR – Economic Development Rider" tariff and established a procedural schedule. The procedural schedule required EKPC to respond to two rounds of data requests. The Commission Staff issued its initial data request on March 7, 2014 and EKPC filed responses on March 24, 2014. The Commission Staff issued its supplemental data request on April 7, 2014 and EKPC filed responses on April 18, 2014. Gallatin Steel Company sought and was granted intervention; however, it has not issued any data requests.

The procedural schedule required that EKPC either file a request for an evidentiary hearing or request for waiver of hearing May 5, 2014. On April 18, 2014 EKPC filed a motion requesting an informal conference before the May 5, 2014 deadline. Commission Staff confirmed an informal conference date of May 7, 2014. On April 28, 2014 EKPC filed a motion seeking a three day extension of the deadline to request or waive a hearing. On May 1, 2014 the

Commission scheduled the informal conference and granted a three day extension to request a hearing. EKPC believes the case record is complete and this case can be submitted for adjudication on the existing record without a hearing.

WHEREFORE, EKPC respectfully requests that the Commission accept for submission this case for Adjudication on the Existing Record Without a Hearing.

This 7th day of May, 2014.

Respectfully submitted,

David S. Samford
