**FOREST HILLS RESIDENTS' ASSOCIATION, INC.'S MOTION FOR
CLARIFICATION OF THE SEPTEMBER 8, 2014, ORDER**

Forest Hills Residents' Association, Inc. ("Forest Hills") respectfully moves the Commission for the entry of an order clarifying the following portion of its order of September 8, 2014, herein:

The Commission finds that it cannot consider JSEWD's request for approval of financing for the waterworks project until JSEWD finalizes the waterworks project costs and submits specific information regarding the terms of the loan from Kentucky Rural Water Finance Corporation.¹

It is unclear if the Commission is rejecting that portion of the Application that requests approval of the financing. Since KRS 278.300 requires the issuance of an order within 60 days after the application is filed, Forest Hills requests that the Commission clarify and specifically state whether it has rejected the financing portion of the Application due to the Application's failure to comply with 807 KAR 5:001, Section 18(c). Given the language in the order above, it is clear that the financing portion of the Application is not complete. Forest Hills believes that the

statutory time period for reviewing the financing portion of the Application cannot commence until the required information regarding the proposed loan has been provided to the Commission.

Therefore, Forest Hills requests the entry of an order clarifying whether the Application herein is considered filed for purposes of KRS 278.300.
