

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

JOINT APPLICATION OF TROUBLESOME)	
CREEK ENVIRONMENTAL AUTHORITY, INC.)	CASE NO.
FOR AN ORDER APPROVING A TRANSFER)	2014-00138
OF OWNERSHIP AND CONTROL OF A)	
JURISDICTIONAL ASSET TO KNOTT COUNTY)	
WATER & SEWER, INC.)	

ORDER

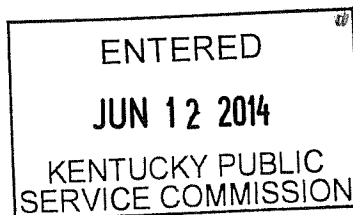

On June 4, 2014, Troublesome Creek Environmental Authority, Inc. ("TEA") and Knott County Water & Sewer, Inc. ("KCW&S") (collectively "Joint Applicants") filed a motion requesting leave to withdraw their transfer application. In support of their motion, the Joint Applicants state that their April 15, 2014 Application was filed without a formal contract between TEA and KCW&S regarding the transfer and disposition of the assets in question for the Commission to consider. Additionally, the Joint Applicants retained new counsel after requesting an extension for time to answer Commission Staff's Initial Request for Information ("Initial Request"). The Joint Applicants are now unable to thoroughly review and respond to this Initial Request within the current June 9, 2014 deadline, and would need to request additional time.

In light of all of these reasons, the Joint Applicants are requesting this matter be dismissed without prejudice. The Joint Applicants assert that they will submit a new application once a formal contract for the transfer of assets between TEA and KCW&S has been adopted and they have had an opportunity to gather information in response to Staff's Initial Request.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that the Joint Applicants have established good cause to permit them leave to withdraw their transfer application in this proceeding.

IT IS THEREFORE ORDERED that the Joint Applicants' motion for leave to withdraw their application is granted and this case is dismissed without prejudice and removed from the Commission's docket.

By the Commission
