SECOND MOTION FOR EXTENSION OF TIME

Comes Bullitt Utilities, Inc. ("Bullitt Utilities"), by counsel, and hereby moves the Public Service Commission for an extension of time through Monday, June 16, 2014, within which to provide its Answers to the Information Requests served upon it on May 22, 2014. The requested records include records from January 1, 2008, through the present time and include records that are maintained at the treatment plant site, as well as at the bookkeepers office. The records for this approximately six and one-half (6 ½) year time period are somewhat voluminous, and copies of same need to be made. A number of the requested records have been identified, and copied, but without any full-time personnel on staff, all of the requested records have not yet been copied. Accordingly, Bullitt Utilities requests an extension of time through Monday, June 16, 2014, to file its responses to the Information Requests.

Respectfully submitted,
