BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION OF THE	)	
APPLICATION OF THE FUEL	)	CASE NO.
ADJUSTMENT CLAUSE OF KENERGY	)	2014-00248
CORP. FROM NOVEMBER 1, 2013	)	
THROUGH APRIL 30, 2014	)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on August 13, 2014, to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Kenergy Corp. ("Kenergy") for the six-month period that ended on April 30, 2014.

As part of this review, Kenergy complied with the Commission's Order to submit certain information concerning its compliance with 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case and indicated that if no interested party notified the Commission of its intent to attend by November 7, 2014, the hearing would be cancelled and the matter would be considered submitted for decision based on the evidence in the record.

No individual or entity advised the Commission of an intent to attend the hearing by November 7, 2014. The public hearing was cancelled, and the matter is considered submitted for decision based on the evidence in the record.

The Commission, having considered the evidence in the record and being otherwise sufficiently advised, finds no evidence that Kenergy has improperly calculated or applied its FAC charge.

The Commission notes that the six-month review proceeding for Kenergy's wholesale supplier, Big Rivers Electric Corporation ("Big Rivers"), remains open to allow the Commission to further examine Big Rivers' fuel cost allocation methodology.<sup>1</sup> The Commission finds that, in the event that changes are made to Big Rivers' methodology which affect Kenergy for the six months ended April 30, 2014, the impact of those changes will be addressed in Case No. 2014-00473,<sup>2</sup> Kenergy's two-year FAC review proceeding, which includes the six months ended April 30, 2014.

IT IS THEREFORE ORDERED that the charges and credits applied by Kenergy through the FAC for the period November 1, 2013, through April 30, 2014, are approved.

By the Commission
