CASE NO.
2014-00252

**EAST KENTUCKY POWER COOPERATIVE, INC.'S MOTION FOR AN
EXTENSION OF TIME TO RESPOND TO GRAYSON RURAL ELECTRIC
COOPERATIVE'S MOTION FOR LEAVE TO INTERVENE**

Comes now East Kentucky Power Cooperative, Inc. ("EKPC"), by and through counsel, and hereby moves the Commission for a fourteen day extension of time in which to file its response to the motion of Grayson Rural Electric Cooperative Corporation ("Grayson") for leave to intervene in this matter, respectfully stating as follows:

On October 3, 2014, Grayson filed a motion for leave to intervene in this matter. Pursuant to 807 KAR 5:001, Section 5(2), EKPC's response is due to be filed on or before October 10, 2014. Subsequent to Grayson's filing of the motion, its president and chief executive officer suggested that it might be productive for Grayson's management and Directors to meet with certain of EKPC's Officers and Directors and that no attorneys for either party will be present at this meeting. EKPC further understands that this meeting may take place within the next seven to ten days and, if successful, could be productive with regard to pending matters

involving EKPC and Grayson. Accordingly, EKPC respectfully requests a brief, fourteen day extension of time in which to file its response to Grayson's motion. Should the requested meeting between the two cooperatives' leadership not be successful, EKPC would reserve the right to file its response on or before, Friday, October 25, 2014. EKPC does not believe that granting this extension of time will require any corresponding change to the Commission's September 26, 2014 Scheduling Order.

For the foregoing reasons, EKPC respectfully requests that it be granted an additional fourteen days in which to file its response to Grayson's motion for leave to intervene in this proceeding.

This 10th day of October 2014.

Respectfully submitted,

Mark David Goss
