Re: Application of Bullitt Utilities, Inc., for a Certificate of Convenience and Necessity,
and for Surcharge for Same ("Application")
PSC Case No. 2014-0255

Dear Ms. Faulkner:

Thank you for your letter to me of July 23, 2014. Your letter requested that the PSC be provided with certain information in connection with above-referenced Application within 15 days of the date of your letter. Bullitt Utilities is currently in discussions with the Kentucky Division of Water, the Bullitt County Sanitation District and the Louisville and Jefferson Metropolitan Sewer District concerning various options to respond to the failure of the Hunters Hollow Wastewater Treatment Plant, which is the subject of the above referenced Application. Since the resolution of these discussions could have a significant impact on the Application, I am hereby requesting that Bullitt Utilities be provided with an extension of time until August 20, 2014, to respond to your request.

Thank you for your attention to this matter, and please let me know if I need to take any further action with respect to this matter at this time.

Yours truly,

Robert C. Moore
