Re: Mobile Water Service Agreement – Reminder Notice of Termination

Dear Rob:

Veolia Water Solutions & Technologies North America, Inc., the predecessor to Veolia Water Technologies, Inc. (collectively, “Veolia”) provides this Reminder Notice of Termination to Bullitt Utilities, Inc. (“Bullitt”) to reinforce Veolia’s previous May 4, 2015 Notice of Termination. Veolia is terminating the Mobile Water Service Agreement effective June 3, 2015 because of Bullitt’s material breach of the Agreement.

To date, Bullitt has not contacted Veolia to discuss the May 4, 2015 Notice of Termination and still has not made any payment to Veolia since January 2015.

Veolia read with interest the May 21, 2015 Answer filed by Bullitt in Response to the Commission’s May 7, 2015 Order *In the Matter of: an Investigation of Existing and Future Service of Bullitt Utilities, Inc.*, Case No. 2014-00163, advising the Commission that the connection between Bullitt and the Bullitt County Sanitation District (“BCSD”) “should be completed by Friday, May 22, 2015, and BCSD is anticipated to accept the flow from the Hunters Hollow collection system at that time.” You provided similar information to me in a call we had earlier last week.

Veolia was advised that the connection between Bullitt and the BCSD was completed sometime on Wednesday afternoon, May 27, 2015 and BCSD began accepting some flow of wastewater from the Hunters Hollow collection system at about that time.

As Veolia advised on May 4, 2015, Veolia intends to remove its facilities from the Bullitt site as soon after June 3, 2015 as practical.

Please e-mail or call me if you would like to discuss this matter in more detail or Bullitt may contact Veolia directly.
