PUBLIC SERVICE
COMMISSION

In the Matter of:

APPLICATION OF BULLITT UTILITIES, INC.)
FOR A CERTIFICATE OF CONVENIENCE AND) CASE NO 2014-00255
NECESSITY AND SURCHARGE FOR SAME)

**MOTION OF BULLITT UTILITIES, INC., TO INCORPORATE OR TO ALLOW
REFERENCE TO TESTIMONY AND EXHIBITS FILED IN CASE NO. 2014-00163**

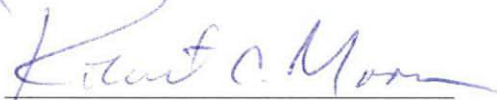

Comes Bullitt Utilities, Inc., by counsel, and for the reasons set forth below, hereby moves the Public Service Commission (“Commission”) to incorporate or to allow the parties to refer to the testimony and exhibits filed in Case No. 2014-0163 pending before the Commission.

1. The case styled An Investigation of Existing and Future Service of Bullitt Utilities, Inc., Case No 2014-00163, is currently pending before the Commission. Case No 2014-00163 involves the same parties and the same facility as are involved in the above-styled case.
2. The formal hearing in Case No 2014-00163 was held before the Commission on March 31, 2015. The individuals that testified on behalf of Bullitt Utilities in Case No 2014-00163 have been identified as witnesses in the instant case. These witnesses were subjected to cross-examination by Commission Staff, the Honorable Ann Ramser and the Honorable David Spenard, counsel for the Kentucky Attorney General, the Honorable Greg Dutton, and counsel for the intervening cities, the Honorable Mark Edison.
3. The testimony and the exhibits filed in Case No 2014-00163 concerned the Hunters Hollow Wastewater Treatment Plant (“WWTP”), discussions between the Energy and Environment Cabinet and Bullitt Utilities, the extraordinary costs incurred by Bullitt Utilities due to the catastrophic failure of the Hunters Hollow WWTP, the options considered by Bullitt Utilities in responding to the failure of the WWTP, and other issues

that are relevant to the instant case.

4. Incorporating the testimony and the exhibits filed in Case No 2014-00163 or allowing the parties to refer to the testimony and the exhibits filed in Case No 2014-00163 in the briefs to be filed in the instant case will be an efficient use of judicial resources and avoid unnecessary duplication.
5. Because the parties in Case No 2014-00163 are the same as the parties in the instant case, with the exception of the intervening cities, and the parties in the instant case participated fully in the examination of witnesses and the introduction of evidence in Case No 2014-00163, no prejudice would result from incorporating or allowing the parties to refer to the testimony and exhibits filed in Case No. 2014-0163 in the instant case.

Respectfully submitted,
