RE: KY PSC Case No. 2014-00255, *Application of Bullitt County Sanitation District as Receiver for the Assets of Bullitt Utilities, Inc. for a Certificate of Convenience and Necessity and Surcharge for Same*

Dear Mr. McTyeire:

The Commission acknowledges receipt of your letter of November 4, 2015, in which you, on behalf of your client, Veolia Water Technologies, Inc. ("Veolia"), state that you learned of the October 22, 2015 Informal Conference in Case No. 2014-00255 the day after it occurred. Through your letter, you request prior notice of any future informal conferences in this matter and also the opportunity to attend.

As you note in your letter, Veolia previously moved for and was denied intervention into this case. Your client, therefore, is not a party to the proceeding and has no right to attend an informal conference. Notices of the informal conferences are placed into the record in the case and available for public inspection through the Commission's website or at the Commission's offices.

The Commission appreciates Veolia's offer to submit information into the record of this case. Although Veolia is not a party to this case, you may submit additional information into the record as frequently as you choose and that information will be treated as public comments.

Sincerely,

Jeff Derouen  
Executive Director
