ORDER

The matter is before the Commission upon a motion filed by Kentucky Power Company ("Kentucky Power") on August 22, 2014, seeking to amend its August 14, 2014 Application. In its motion, Kentucky Power states that page 43 of 54 of Exhibit 8 to the Application contained inaccurate information due to a compilation error, and requests that it be allowed to substitute page 43 of 54 of Exhibit 8 with the corrected page that was attached to its motion. Kentucky Power further notes that the corrected page does not affect the calculation of the proposed demand-side management factor.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Kentucky Power has established good cause to permit it to

amend its Application by substituting the corrected page 43 of 54 of Exhibit 8 to the Application.

IT IS THEREFORE ORDERED that Kentucky Power's Motion to Amend Application is granted, and that corrected page 43 of 54 of Exhibit 8 is substituted for the original filed with the Application.
