RE: Case No 2014-00288
Tariff Filing of Western Rockcastle Water Association to Revise its Meter
Connection Charge

Dear Mr. Whitaker:

The Commission Staff has received and reviewed a letter dated October 20, 2014, from Monarch Engineering, Inc. requesting an additional 30 days to respond to Commission Staff's First Request for Information to Western Rockcastle Water Association issued on September 13, 2014. The request for an extension is based on Monarch Engineering, Inc.'s belief that it will not be able to provide the requested information by October 24, 2014.

Based on the request from Monarch Engineering, Inc., the information requested in Commission Staff's First Request for Information to Western Rockcastle Water Association is now due no later than November 21, 2014. If you need further assistance, please contact Ann Ramser, Staff Attorney, at (502) 782-2585.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
