Re: New Talk, Inc.
Cancellation of ETC Designation

Case No. 2014-00293

Dear Mr. Derouen:

By this letter, New Talk, Inc., formerly known as Connect Paging, Inc. dba Get A Phone (the "Company") requests to cancel its designation as a Eligible Telecommunications Carrier on a wireline basis in the Commonwealth of Kentucky. The original and five (5) copies of this request are being filed per Commission regulations.

This Commission granted the Company designation as an Eligible Telecommunications Carrier (ETC) to receive federal universal service support for service offered throughout the state of Kentucky on May 22, 2009 in Case No. 2008-00539

This request to cancel its ETC designation is based upon the fact that the Company has not provided wireline telecommunications services in the Commonwealth of Kentucky for over twelve months. The Company currently has no customers and asserts that the voluntary discontinuance of its designation will have no adverse impact upon consumers.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope. If you have any questions or if I may provide you with any additional information, please do not hesitate to call me.

Respectfully submitted,

Brian Young

Vice President, New Talk, Inc.
