Case No. 2014-000342

MOTION

Mountain Water District (MWD), by counsel, moves for an extension of time to file its responses to the hearing data requests. Due to the unexpected amount of time needed to locate and compile the information, the staff of Mountain Water District has been unable to complete the responses. The Attorney General has been informed of this motion.

For this reason, Mountain requests an extension of four days to and including June 5, 2015, to submit the responses. If possible, they will be filed sooner.
