**MOTION FOR EXTENSION OF TIME WITHIN WHICH TO RESPOND TO
COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION**

Comes the Defendant, Jessamine-South Elkhorn Water District ("District"), by counsel, and respectfully requests an extension of time to and including February 27, 2015, in which to respond to Commission Staff's First Request for Information ("Request"). Upon receipt of the Commission Staff's Request, District counsel contacted the District's office manager, Ed Whitaker, to schedule an appointment to meet and discuss gathering the documents and other information addressed in numerical paragraphs 3-6 and 8 of the Request. The appointment was made for January 26, 2015. Unfortunately, Mr. Whitaker was ill that day and unable to come to work. Mr. Whitaker's illness has continued since January 26, 2015 and he has yet to return to work. Mr. Whitaker is the only individual on the District's staff who has ready access to the information sought by the aforementioned paragraphs. As a consequence of Mr. Whitaker's illness and absence from the District's office, there will not be adequate time for the District to compile and file its Responses to the Requests by the February 4, 2015 deadline imposed in the Commission's Order of January 21, 2015. Further, counsel is preparing for a hearing before the Commission in Case No. 2014-00084, scheduled February 10, 2015.

Assuming Mr. Whitaker returns to work in the next several days, counsel's time in preparing the information sought by the Request prior to February 10, 2015, will be severely limited.

Based on the foregoing, the District asks for a continuance of the deadline for responding to the Requests to and including February 27, 2015.
