No later than 30 days after the Commission accepts a utility's application for a rate adjustment based on a supplier's change in rates, the Commission is statutorily required to approve the application or establish revised rates.³

Having considered Lake Village's proposed rate adjustment and being otherwise sufficiently advised, the Commission finds that:

² Case No. 2014-00392, Proposed Adjustment of the Wholesale Water Service Rates of City of Danville (Ky. PSC Nov. 14, 2014).

³ KRS 278.012.

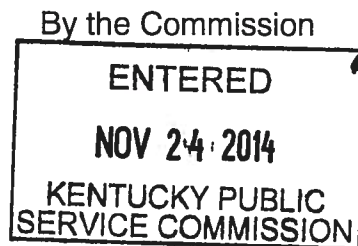

1. Due to the suspension of Danville's proposed wholesale water rate adjustment, Lake Village's application for approval to adjust its rates pursuant to the purchased water adjustment procedure should be dismissed.

2. Lake Village's rates should remain the same as those currently in effect under authority of the Commission.

IT IS THEREFORE ORDERED that:
