Re: CASE NO. 2014-00385

Dear Mr. Mason,

We received your open records request on December 17, 2014. Unfortunately, due to limited staffing, holiday schedules and end of fiscal year requirements, we will need additional time to prepare some of the information you have requested

You may or may not be aware that much of the requested information is readily available to you on the Public Service Commission's website. Some of the requested information has been submitted in conjunction with our Rate Increase Application and some of the requested information is in our current tariff.

We have been advised to seek legal counsel to review your request. After it is clear what is considered exempt and non-exempt, your request will be expedited and you will be notified so that a convenient date and time can be decided.

It was unclear in your request as to whether you are asking to view said records in our office or if you would like copies of this information. Please note that copies are provided at the cost of \$0.10 per page and due and payable upon receipt of records. These copies must be picked up from our office.

Thank you for your cooperation.

Sincerely,
