**RE: Case No. 2014-00387
New Cingular Wireless PCS, LLC**

Dear Mr. Briggs,

On November 26, 2014, the Commission notified your office that the New Cingular Wireless PCS, LLC application submitted in the above-referenced case was rejected for filing due to deficiencies.

Commission Staff reviewed your correspondence dated December 2, 2014 that purports to cure the filing deficiency and reviewed, again, the application filed in this matter.

The filing remains deficient pursuant to 807 KAR 5:001 Section 14(3):

If the applicant is a limited liability company, a statement identifying the state in which it is organized and the date on which it was organized, **attesting that it is in good standing in the state in which it is organized**, and stating, if it is not a Kentucky limited liability company, whether it is authorized to transact business in Kentucky.

As you noted in your correspondence, you filed the applicant's 2010 certificate of authorization to transact business in Kentucky, and the 1999 certificate of formation and 2004 amendment to the certificate issued by Delaware Secretary of State.

In order to cure the filing deficiency, please comply with the above-referenced provision that the applicant must file a statement **attesting that it is in good standing in the state in which it is organized**. Neither the entity documents filed in this case nor the statement in Paragraph 2 of the Application complies with this filing requirement.

Please provide the requested information within 15 days of the date of this letter. If you need further assistance, please contact Nancy J. Vinsel, staff attorney, at 502-782-2582.

Sincerely,

Linda Faulkner
Filings Division Director
