Mr. Smith,

When contacting me, I request that you copy the other parties in this case.

You are correct that the rate increase is still under suspension. As I recall our conversation, I stated to you what Mr. Metcalf told me, including the part regarding the rates not going into effect prior to May 2015. While you may not have specifically mentioned May or any other date, you agreed with the statements Mr. Metcalf told me and I related to you.

This email exchange will be added to the record of the case.

Subject: Case # 2014-00392

Thank you for contacting me on April, 7 in regards to our case. I just wanted to clarify an e-mail you sent myself and others on the 7th. The e-mail stated that I have no issues with the rate increase as long as it does not go into effect before May 2015. Upon contacting Mr. Metcalf, he indicated he did mention the month of May, but at no time did I mention this date or any other. Garrard Co. water Association is still under the assumption that the rate increases are still under suspension, for we have not received any notifications stating otherwise.

Thanks for your assistance in this matter.
