Re: Knox County Utility Commission PSC Application

Dear Mr. Derouen:

2014-00442

Enclosed please find the original and ten (10) copies of the Application of the Knox County Utility Commission for an Order authorizing the Commission to issue securities pursuant to KRS 278.300.

This Application requests approval of the issuance of securities for the purpose of refunding certain high interest Bonds of the Commission held by USDA, Rural Development.

**Please be advised that the Commission is requesting the PSC to expedite this Application and issue the approving Order on or before January 29, 2015 due to the fact that an upward shift in the current interest rate market could negate any interest cost savings to the Commission.**

Thank you for your assistance and if you need any additional information or documentation, please let us know.

Sincerely,

Rubin & Hays
