Gerald Hunter asked if there was anything else the City of Sturgis wanted the Water District to consider. Neither Mayor Holt nor Mayor Elect Hardesty had any other comments.

**Gerald Hunter recognized Todd Bowley.**

Todd Bowley presented the annual purchase water rate from the City of Morganfield. A 5.4% decrease in rates was proposed by the city board based upon last year's cost of production as compared to water sales. The new rate schedule which resulted in a \$0.12 decrease of rates or 5.39% decrease in rates.

Upon motion by Andrew Arnold and second of Billy Don Greenwell the Union County Water District unanimously approved the decrease in rates effective January 1, 2015.

Todd Bowley then presented the audit report for three (3) months and nine months ending September 30, 2014.

Current Assets	\$ 507,392
Plant and Equipment	<u>\$5,504,852</u>
Total Assets	\$6,079,392
Liabilities Total	<u>\$ 222,342</u>
Net	<b>\$5,857,050</b>

Sales of 1.2 million were made in 2014 (to date) as compared to approximately one million last year. The increase in water sales was due to the City of Sturgis. There was a net operating loss of \$16,000 compared to \$90,000 last year. The report showed the Union County Water District to be in good financial condition.

The report was unanimously approved upon motion by Andrew Arnold and second by Billy Don Greenwell.

**Gary Sheffer then presented the Manager's Report.**

Gary Sheffer stated they were still bottling TTHMs problem in Sullivan due to the problem with Sturgis. He would like to retain Ron Gastineau. There may possibly be a need to shut down Sullivan tank and perhaps the Raleigh tank and Gary proposes to retain Gastineau at a rate of \$400 a month to help work through some of these situations.
