ORDER

On February 26, 2015, Webster County Water District ("Webster County") applied for an adjustment of its rates for service pursuant to the procedures set forth in 807 KAR 5:076. Webster County's application was accepted for filing on February 26, 2015. Finding that a procedural schedule should be established to ensure the orderly review of Webster County's application, the Commission HEREBY ORDERS¹ that:

1. No later than May 28, 2015, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings and recommendations regarding Webster County's requested rate adjustment.

a. Its written comments on and any objections to the findings and recommendations contained in the Commission Staff Report; and

b. Any additional evidence for the Commission to consider.

¹ No action is necessary to suspend the effective date of Webster County's proposed rates for general water service. Pursuant to 807 KAR 5:076, Section 7(1), an applicant who applies for a rate adjustment pursuant to the procedures set for in 807 KAR 5:076 may not place its proposed rates into effect until the Commission approves those rates or six months from the date of the filing of its application.

c. If a party requests a hearing or informal conference, then the party shall make the request in its written comments and state the reason why a hearing or informal conference is necessary.

3. If Commission Staff finds that Webster County's financial condition supports a higher rate than Webster County proposes or the assessment of an additional rate or charge not proposed in Webster County's application, Webster County in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should authorize the assessment of the higher rate or the recommended additional rate or charge.

4. If Commission Staff recommends changes in the manner in which Webster County accounts for the depreciation of Webster County's assets, Webster County in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should require Webster County to implement the proposed change for accounting purposes.

5. A party's failure to file written objections to a finding or recommendation contained in the Commission Staff Report by June 11, 2015, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed a waiver of all objections to that finding or recommendation.

6. A party's failure to request a hearing or informal conference in the party's written response shall be deemed a waiver of all rights to a hearing on the application and a request that the case stand submitted for decision.

7. A party's failure to file a written response by June 11, 2015, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed a waiver of all rights to a hearing on the application.

8. Any motion to intervene shall be filed no later than April 1, 2015.

9. A person who submits a motion to intervene after April 1, 2015, and upon a showing of good cause is granted full intervention shall accept and abide by the existing procedural schedule.
