ORDER

On February 27, 2015, Louisville Gas and Electric Company ("LG&E") submitted an application requesting to revise rates for its Gas Line Tracker Adjustment Clause ("GLT") effective April 30, 2015, pursuant to the Commission's Order in Case No. 2012-00222¹ approving the GLT program and associated rates. On March 13, 2015, LG&E filed a motion to amend its application in order to correct under-reported operating expenses related to its GLT program. There are no intervenors in this proceeding. The case now stands submitted for decision.

LG&E's revenue requirement eligible for recovery under its GLT mechanism for 2015 is \$19,077,383, which was approved in Case No. 2014-00381.² During 2014, LG&E had an over-collection of \$176,586, which it now proposes to include as a credit to its 2015 revenue requirement in order to refund the over-collected amounts to its customers through its GLT balancing adjustment for 2014. The GLT rates proposed by

¹ Case No. 2012-00222, *Application of Louisville Gas and Electric Company for an Adjustment of Its Electric and Gas Rates, a Certificate of Public Convenience and Necessity, Approval of Ownership of Gas Service Lines and Risers, and a Gas Line Surcharge* (Ky. PSC Dec. 20, 2012).

² Case No. 2014-00381, *Application of Louisville Gas and Electric Company for Approval of Revised Rates to be Recovered through Its Gas Line Tracker Beginning with the First Billing Cycle for January 2015* (Ky. PSC Dec. 16, 2014).

LG&E to be effective April 30, 2015, reflect the expiration of its 2013 GLT balancing adjustment through which LG&E is returning over-collections of \$6,376,782 to its customers.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in LG&E's filings is in sufficient detail to support the reasonableness of LG&E's revised GLT rates.

IT IS HEREBY ORDERED that:

1. LG&E's motion to amend its application is granted.
2. The GLT rates in the Appendix to this Order are approved for service rendered by LG&E on and after April 30, 2015.
3. Within 20 days of the date of this Order, LG&E shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.
