4. If Commission Staff recommends that changes to the manner in which Kirksville accounts for the depreciation of Kirksville's assets for ratemaking purposes, Kirksville in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should require Kirksville to implement the proposed change for accounting purposes.

5. A party's failure to file written objections to a finding or recommendation contained in the Commission Staff Report by August 10, 2015, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed a waiver of all objections to that finding or recommendation.
