

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ALTERNATIVE RATE ADJUSTMENT	)	
FILING OF KIRKSVILLE WATER	)	CASE NO. 2015-00097
ASSOCIATION, INC.	)	

ORDER

On March 30, 2015, Kirksville Water Association, Inc. ("Kirksville") applied for an adjustment of its rates for service pursuant to the procedures set forth in 807 KAR 5:076. Kirksville's application was accepted for filing on April 27, 2015, when all filing deficiencies were cured. By Order dated May 13, 2015, the Commission established a procedural schedule pursuant to which Kirksville's application would be reviewed.

The procedural scheduled required that Commission Staff, after reviewing the application, prepare and file with the Commission a report containing its findings no later than July 27, 2015. During its review, Staff determined that the billing analysis provided by Kirksville in its application is incorrect. Staff issued a request for information requesting that Kirksville submit to the Commission a corrected billing analysis. Absent the corrected billing analysis, Staff cannot issue its report by July 27, 2015. Therefore, the May 13, 2015 procedural Order must be amended.

IT IS THEREFORE ORDERED that:

1. No later than August 24, 2015, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings and recommendations regarding Kirksville's requested rate adjustment.

2. No later than September 7, 2015, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, each party of record shall file with the Commission:

a. Its written comments on and any objections to the findings and recommendations contained in the Commission Staff Report; and

b. Any additional evidence for the Commission to consider.

3. If a party requests a hearing or informal conference, then the party shall make the request in its written comments and state the reason why a hearing or informal conference is necessary.

4. If Commission Staff finds that Kirksville's financial condition supports a higher rate than Kirksville proposes, or the assessment of an additional rate or charge not proposed in Kirksville's application, Kirksville in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should authorize the assessment of the higher rate or the recommended additional rate or charge.

5. If Commission Staff recommends changes to the Kirksville accounts for the depreciation of Kirksville's assets for ratemaking purposes, Kirksville in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should require Kirksville to implement the proposed change for accounting purposes.

6. A party's failure to file written objections to a finding or recommendation contained in the Commission Staff Report by September 7, 2015, or 14 days after the

date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed a waiver of all objections to that finding or recommendation.

7. A party's failure to request a hearing or informal conference in the party's written response shall be deemed a waiver of all rights to a hearing on the application and a request that the case stand submitted for decision.

8 A party's failure to file a written response by September 7, 2015, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed waiver of all rights to a hearing on the application.
