ORDER

On June 25, 2008, the Commission approved Big Rivers Electric Corporation's ("Big Rivers") environmental surcharge application and established a surcharge mechanism.¹ The Commission also approved a mechanism to pass through the environmental surcharge to Big Rivers' three member distribution cooperatives ("Member Cooperatives").² Pursuant to KRS 278.183(3), at six-month intervals, the Commission must review the past operations of the environmental surcharge. After the hearing, the Commission may, by temporary adjustment in the surcharge, disallow any surcharge amounts found not to be just and reasonable and reconcile past surcharges with actual costs recoverable pursuant to KRS 278.183(1). Therefore, the Commission

¹ Big Rivers was authorized to implement an environmental surcharge in Case No. 2007-00460, *The Application of Big Rivers Electric Corporation for Approval of Environmental Compliance Plan and Environmental Surcharge Tariff* (Ky. PSC June 25, 2008).

² The three Member Cooperatives were authorized to implement a pass-through mechanism in Case No. 2007-00470, *Application of Meade County Rural Electric Cooperative Corporation for Approval of Retail Tariff Riders, Revised Tariffs and New Tariff, and for Approval of Amendment of Wholesale Agreement* (Ky. PSC Dec. 12, 2008); Case No. 2008-00009, *Application of Kenergy Corp. for Approval of Retail Tariff Riders and Revised Tariffs, Approval of Smelter Agreements, and Approval of Amendment to Wholesale Agreement* (Ky. PSC Dec. 12, 2008); and Case No. 2008-00010, *The Application of Jackson Purchase Energy Corporation for Approval of Retail Tariff Riders, Revised Tariffs, New Tariff, and Amendment of Wholesale Agreement* (Ky. PSC Dec. 12, 2008).

hereby initiates a six-month review of the environmental surcharge as billed from August 1, 2014, through January 31, 2015, to the Member Cooperatives. The billing period under review reflects costs incurred by Big Rivers from June 1, 2014, through November 30, 2014. The Commission also initiates the corresponding review of the pass-through mechanism for the Member Cooperatives as billed from September 1, 2014, through February 28, 2015, to their retail member customers and August 1, 2014, to January 31, 2015, for large commercial and industrial customers with dedicated delivery points.³

To facilitate this review, a procedural schedule is set forth in Appendix A, attached hereto and incorporated herein. In accordance with that schedule, Big Rivers is to file prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism during the period under review. Also in accordance with that schedule, the three Member Cooperatives, or Big Rivers on their behalf, are to file prepared direct testimony in support of the reasonableness of the application of the pass-through mechanism during the period under review. In addition, Big Rivers is to file its response to the information requested in Appendix B, to this Order. Since the period under review in this proceeding may have resulted in over- or under-recoveries, the Commission will entertain proposals to adopt one adjustment factor to net all over- or under-recoveries.

³ The Commission's Orders in Case Nos. 2007-00470, 2008-00009, and 2008-00010 allow the Member Cooperatives to pass through the environmental surcharge to all their retail customers, except large commercial and industrial customers with dedicated delivery points, on a one-month lag. Therefore, the costs incurred by Big Rivers from June 2014 through November 2014 are billed to the Member Cooperatives in the months of August 2014 through January 2015, with these same costs passed through to the member's retail customers on the bills for September 2014 through February 2015. Those customers with dedicated delivery points are billed without the one-month lag necessary for the retail customers; therefore, their billing period covers the same time frame as Big Rivers'.

IT IS HEREBY ORDERED that:

1. Big Rivers and each of its three Member Cooperatives listed in footnote 2 shall be made parties to this case.

2. The procedural schedule set forth in Appendix A to this Order shall be followed in this proceeding.

3. Any person who submits a motion to intervene after June 1, 2015, and, upon a showing of good cause, is granted full intervention shall accept and abide by the existing procedural schedule.

4. Big Rivers shall file, by the date set forth in Appendix A to this Order, its prepared direct testimony in support of the reasonableness of the application of its environmental surcharge mechanism and the three Member Cooperatives, or Big Rivers on their behalf shall file by that date their prepared direct testimony in support of the reasonableness of the application of the pass-through mechanism during the periods under review.

5. Any party filing testimony shall file an original and seven copies.

6. a. The information requested herein is due on or before the date specified in Appendix A to this Order. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and seven copies to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a

governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. A party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

7. Within seven days of the Commission's granting intervention to a party, Big Rivers shall provide the party with a copy of its monthly environmental surcharge reports as filed with the Commission for the review period.

8. Big Rivers' monthly environmental surcharge reports and supporting data for the review period shall be incorporated by reference into the record of this case.

9. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
