

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENERGY CORP. FOR A) CASE NO.
GENERAL ADJUSTMENT IN RATES) 2015-00312

ORDER

On October 29, 2015, Kenergy Corp. ("Kenergy") filed an application requesting an adjustment in existing rates. In its application, Kenergy requests permission to deviate from the requirements of 807 KAR 5:001, Section 16(4)(i), which requires the submission of the applicant's reconciliation of the rate base and capital used to determine its revenue requirements. As a basis for its request, Kenergy states that it utilized interest coverage to determine its revenue requirements, and therefore the information required pursuant to 807 KAR 5:001, Section 16(4)(i), is not applicable.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that Kenergy has established good cause to permit it to deviate from the filing requirements of 807 KAR 5:001, Section 16(4)(i). However, the Commission further finds that Kenergy's rate application contains other filing deficiencies as noted in our November 9, 2015 letter to Kenergy, and that Kenergy's rate application cannot be considered filed until all deficiencies are cured.

IT IS THEREFORE ORDERED that:

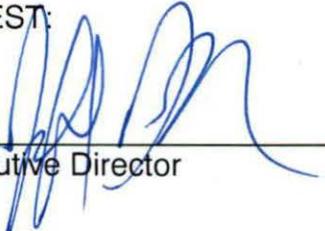

1. Kenergy's request to deviate from the filing requirements of 807 KAR 5:001, Section 16(4)(i), for its rate application is granted.

2. Kenergy's rate application shall not be considered filed until all filing deficiencies noted in our November 9, 2015 letter are cured.

By the Commission
