Re: Southeastern Water Association PSC Application

Dear Mr. Derouen:

2015-002

Enclosed please find the original and ten (10) copies of the Application of the Southeastern Water Association for an Order authorizing the Association to issue securities pursuant to KRS 278.300.

This Application requests approval for the issuance of securities for the purpose of refunding certain high interest Bonds of the Association held by USDA, Rural Development.

Please be advised that the Association is requesting the Commission to expedite this Application and issue the approving Order on or before January 29, 2015 due to the fact that an upward shift in the current interest rate market could negate any interest cost savings to the Association.

Thank you for your assistance and if you need any additional information or documentation, please let us know.

Sincerely,

Rubin & Hays
