RE: Case No. 2015-00005

Dear Mr. Derouen:

In regards to increasing our non recurring charges, Martin County Water will be charging the proposed tap fee of \$1000.00 to future customers. If the tap fee increase is not approved, or a lower amount is approved, a refund of the price difference will be issued to the customer. The district intends to maintain records of all taps installed at this price.

Sincerely,

Marcie Dials  
Office Manager
