T Residential Weatherization A La Carte Program

Purpose

T This program promotes increased implementation of weatherization improvements among residential customers by paying an incentive directly to third party contractor or to eligible residential customers who undertake and complete residential weatherization improvements in accordance with this program.

Availability

This DSM program's rates, terms and conditions are available to residential customers subject to the limitations and eligibility requirements of this program and to the rules and regulations of this tariff.

Eligibility

T A residential customer served by Kenergy Corp., who undertakes and completes weatherization improvements, in accordance with this program.

Member Incentives

Kenergy Corp. will provide a portion of the cost of approved residential weatherization improvements performed in accordance with this program including management costs. Kenergy's total reimbursement shall not exceed the amounts outlined below in Terms and Conditions.

Terms & Conditions

- T 1. Kenergy Corp. will contract with a third-party contractor ("Contractor") that performs weatherization projects for electric utilities. Once the contractor has determined that a residential customer's home is eligible for duct sealing as outlined in Item 5, residential weatherization may proceed. Any customer-selected contractor's work and documentation must meet the standards of the Building Performance Institute, Inc. ("BPI). Failure to meet BPI work and documentation standards may void any reimbursements outlined below.
2. Kenergy Corp. will promote the program and submit residential customer names to Contractor.
3. Contractor will contact the residential customers from the names provided and manage the weatherization process.

4. Kenergy Corp. will pay the Contractor up to \$200 for the initial site visit. This fee will include an audit report, customer education materials and energy efficient lights.

5. The Contractor will determine if the residential customer's home is eligible for duct sealing. Homes with a construction completion date within twenty-four months of the date of the site visit are not eligible for duct sealing. Homes eligible for duct sealing are those where 60% of the duct work is located outside conditioned spaces, i.e., duct work located in attic, crawl space, or unfinished basement. Eligible homes must be 3,000 square feet or less and not pose a safety or health risk to the residential customer or contractor. Homes in excess of 3,000 sq. ft. may be subject to additional fees, determined by the contractor and paid by the residential customer to the contractor. Duct sealing reimbursement for homes with 3,000 sq. ft. or less is based on the following schedule:

Table with 2 columns: Home Heating Source (Electric, Gas) and Paid by Kenergy (Up to \$500, Up to \$250)

Any balance exceeding Kenergy's reimbursement will be paid by the residential customer.

a. Energy efficient lights include, but are not limited to, Compact Fluorescent Lights ("CFLs") and Light Emitting Diodes ("LED") lights.

6. Additional weatherization measures are available under this program and Kenergy's reimbursement for these measures, are based on the following schedule:

Table with 3 columns: Additional Weatherization Measure, Electric-Heated Homes, Gas-Heated Homes. Rows include Attic Insulation, Floor/Crawl Space Insulation, and Smart/Programmable Thermostat.

Any balance exceeding Kenergy's reimbursement will be paid by the residential customer.

7. To qualify for the additional weatherization measure incentives under this program, a Member must submit to Kenergy documentation supporting the purchase and installation of additional weatherization measures.
