RE: Application for an Adjustment in Rates Pursuant to the
Alternative Rate Adjustment Procedure for Small
Utilities (807 KAR 5:076)

Dear Director Derouen:

The Knox County Utility Commission is hereby submitting an application to increase its rates pursuant to the procedure outlined in Public Service Commission regulation 807 KAR 5:076 Alternative rate adjustment procedure for small utilities. The attached application should contain all of the required and necessary information.

The Commission is requesting a rate it feels will allow it to properly operate but does not fully cover depreciation. The requested rate is the highest the Commission feels its customers can realistically pay given the current economic conditions in Knox County.

If additional information is needed or should questions arise please contact us.

Sincerely,

Jerry Paul Cox
Chairman
