Public Service Commission
P.O. Box 615
Frankfort, KY 40602-0615

Dear Mr. Derouen:

After phone conversations with Commission Staff concerning the effective date of CASE 2015 – 00162, I was made aware that the Garrard County Water Association could request a June 3, 2015 effective date instead of the previously requested date of July 10, 2015. The Garrard County Water Association would now request an effective date of June 3, 2015 due to the increased cost of wholesale water from the city of Lancaster.

Also included is a copy of the Garrard County Water Association's governing bodies authorization of the proposed rate.

Sincerely,

Sean Smith
General Manager
