CASE NO. 2015-00178

MOTION

Comes now Carrollton Utilities, a municipal gas operator, and requests additional time within which to respond to an Order of the Public Service Commission dated June 15, 2015. In support of said motion, Counsel states that the Order was never received at Carrollton Utilities, and therefore Carrollton Utilities had no notice that the 20 day period of time, which began on June 15, 2015, was in effect. In support of said motion, Counsel attaches Affidavits of Bill Osborne, General Manager of Carrollton Utilities, and Tim Pearson, Safety Director of Carrollton Utilities, indicating under oath that this report was not received by anyone at Carrollton Utilities.

WHEREFORE, Carrollton Utilities hereby requests an extension of time until August 10, 2015, within which to submit a written response to the allegations and, if necessary, request an informal conference with Commission staff.

Respectfully Submitted,
