Re: In the Matter of Application of Competitive Carriers of the South, Inc. for a Declaratory Order Affirming that the Interconnection Regimes Under KRS 278.530 and 47 U.S.C. Section 251 are Technology Neutral, Case No. 2015-00283

Dear Mr. Derouen:

AT&T Kentucky anticipates filing a motion to intervene as a party in the above-referenced case pending before the Kentucky Public Service Commission ("Commission"). By its Order of August 25, 2015, the Commission ordered that Responses and Motions to Intervene in this case shall be filed no later than October 5, 2015.

On September 8, 2015, Competitive Carriers of the South, Inc. ("Compsouth") filed a motion requesting, among other things, that the deadline for filing Responses and Motions to Intervene in this matter be extended to October 12, 2015.

AT&T Kentucky supports Compsouth's request to extend these deadlines, and further requests the Commission to allow it and all other interested parties to file Responses and Motions to Intervene by any new deadline set by the Commission or by two days after the date of any order entered by the Commission ruling on Compsouth's motion, whichever is later.

Thank you for your attention to this matter, and please contact me should you wish to discuss this matter.

Yours truly,

Robert C. Moore
Counsel for AT&T Kentucky
