REQUEST 2

RESPONSIBLE PERSON: Kyle Smith

COMPANY: Knott County Water and Sewer, Inc.

Request 2. Please provide a description of the measures which are currently employed, and which will be employed in the future, by KCWSD to conform its accounting practices to the uniform system of accounts for water utilities, and provide an estimate of the date by which this will be completed.

Response 2. KCWSD is diligently reviewing its policies and procedures related to its accounting practices. In 2013, KCWSD began implementing changes to its accounting practices and according to its latest audit, KCWSD is now in compliance with the uniform system of accounts. However, KCWSD will continue to review its policies and procedures related to its accounting practices and will make any necessary changes in order to remain in compliance.

AMENDMENT TO AGREEMENT OF SALE AND TRANSFER

THIS AMENDMENT TO THE AGREEMENT OF SALE AND TRANSFER is made and entered into this 21st day of October, 2015, by and between **TROUBLESOME CREEK ENVIRONMENTAL AUTHORITY, INC. ("TEA")**, a Public Corporation, **PARTY OF THE FIRST PART**, and **KNOTT COUNTY WATER AND SEWER, INC.**, a Kentucky non-profit corporation, **("KCW&S")**, **PARTY OF THE SECOND PART**,

WITNESSETH:

WHEREAS, the Parties are currently operating under an Agreement of Sale and Transfer dated October 1, 2014, ("the Agreement"), and

WHEREAS, implementation of Agreement has revealed an omission which the Parties now desire to remedy,

NOW, THEREFORE, in consideration of \$1.00 cash in hand paid, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

(1) Article 8 Payment of the original Agreement states:

8. Payment: KCW&S declares that it is crucial to financially support TEA, so the Highway 80 Corridor sewer line project can be completed. Starting with the date of this Agreement, KCW&S shall pay a stipend not to exceed \$7,500.00 per year to TEA. These payments are earmarked for corporate governance purposes which are necessary for TEA to maintain its good standing as a public corporate entity. Such cost includes, Secretary of State annual fees, Audit of Finances by CPA, other dues and fees, Directors Insurance and publication notices. This stipend will be paid on a draw basis. TEA will present a copy of the particular bill to KCW&S who in turn will issue funds to TEA for payment.

This stipend is deemed to be a draw against the total yearly amount, so if any portion is unused, there will be no carry forward of unused funds into the next year. The yearly stipend will continue for two years or until the Highway 80 sewer project is completed.

Article 8 is hereby amended to add:

TEA agrees to prepare a spreadsheet of recognized and expected corporate governance expenses over a two-year period to be attached to this Amendment within ten days . Once the expense spreadsheet is presented, then KCW&S is obligated to pay only those listed expenses and is relieved of the obligation to pay \$7,500 stipend. Both Parties agree that the obligation by KCW&S to pay the spreadsheet expenses shall be for two years, beginning with the date of this Amendment.

All other provisions set out in the original Agreement remain in full force and effect.

IN WITNESS WHEREOF, the Parties have hereunto set their hand this day and date aforesaid.

Dear Jennifer:

As we discussed by phone last week, I have reviewed documents from the Kentucky Department of Local Government indicating funding sources were remitted to Troublesome Creek Environmental Authority via Knott County Fiscal Court for Coal Severance Line Item Project ID A199 to use in paying the remainder of debt owed Kentucky Infrastructure Authority. Records indicate the debt was paid off in its entirety in Troublesome Creek's fiscal year ended June 30, 2014. Please let me know if you have additional questions.

Sincerely,

Re: A209-43 Loan Payment

Dear Mr. Warrix:

We received your payment in the amount of \$37,367.07 on May 14, 2013 for loan A209-43. We have applied the amount to the payment that was due June 1, 2013 with the remaining being applied to principal. This leaves a principal balance on the loan of \$224.21. If your intention was to pay off the loan before the end of the fiscal year, please remit this amount, along with a copy of this letter to:
