8. Describe your educational background.

I have a high school diploma obtained from Adair County High School in Columbia, KY - May 1993. I also have approximately one year of college credits obtained from Lindsey Wilson College in Columbia, KY.

9. Describe your experience in operating or managing a water utility.

I do not have specific experience in operating or managing a water utility.

10. Describe your experience in managing or operating organizations similar to a water utility.

Throughout my business career, I have participated in the construction and design of many commercial buildings in and around Adair and Metcalfe counties. Included are three commercial manufacturing buildings in the Green River Commerce Park in Adair County. I am familiar with sewer and water operations and installations. I have owned numerous companies and several of these have had water and sewer obstacles to overcome. My manufacturing company was the first facility to enter the Green River Commerce Park thus the first facility to need sewer and water on a larger scale. I worked with local government to get this accomplished. I currently oversee 40 plus employees through my current businesses located in Adair County.
