RE: West McCracken County Water District, **CASE 2015-326**  
Purchase Water Adjustment

Dear Mr. Derouen:

On September 22, 2015 West McCracken County Water District submitted a PWA. I am asking that the Commission consider increasing the PWA amount that was submitted. I misunderstood that the District could apply for the amount of the purchased water adjustment factor amount of \$0.24/1000 gallons instead of the rate of our suppliers increase. I apologize for the error I made, thank you for your time and consideration.

If you have any questions or need additional information, please feel free to call our office or email [westmccrackenwater@comcast.net](mailto:westmccrackenwater@comcast.net).

Sincerely,

Sheila Mansfield  
Superintendent
