SUPPLEMENTAL NOTICE OF PROPOSED CHANGES IN GAS TARIFFS WHICH WILL RESULT IN INCREASED CHARGES

Supplemental Notice is hereby given that Atmos Energy Corporation ("Atmos Energy"), a public utility furnishing natural gas service within the Commonwealth of Kentucky, on or about the 23rd day of November, 2015 pursuant to Kentucky Revised Statute 278.180 and the Rules of the Public Service Commission of Kentucky respecting tariffs filed its notice with the Kentucky Public Service Commission ("KPSC"), proposing to change its gas rates effective December 23, 2015. The Supplemental Notice is being published to be in compliance with the Kentucky Public Service Commission's Order in Case No. 2015-00343 dated January 8, 2016.

Atmos Energy also is proposing a tariff modification:

1) Update the Company's Research & Development Rider (R&D) unit charge. The current R&D unit charge is \$0.0035/Mcf. The Company is proposing to increase the R&D unit charge to \$0.0174/Mcf.

Customer Class	Average Monthly Usage (Mcf)	Average Monthly Bill (Present Rates)	Average Monthly Bill (Proposed Rates)	Increase In Average Monthly Bill (\$)	Increase In Average Monthly Bill (%)
Residential	5.5	\$51.15	\$52.27	\$1.12	2.19%
Commercial/Pub Auth	27.3	\$207.80	\$211.36	\$3.56	1.72%
Industrial/transportation	6,209	\$4,416.88	\$4,541.17	\$124.28	2.81%

The impact on each customer's average bill will vary according to individual consumption levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website www.atmosenergy.com or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at http://psc.ky.gov. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.
