ORDER

Louisville Gas and Electric Company and Kentucky Utilities Company (jointly "LG&E/KU") tendered an application with the Commission in this matter on November 13, 2015. Therein, LG&E/KU proposed an effective date of December 13, 2015, for their proposed Electric Vehicle Supply Equipment Rider, Electric Vehicle Supply Equipment Rate, and Electric Vehicle Charging tariffs. On November 23, 2015, the Commission found that additional inquiry was necessary to determine the reasonableness of the proposed tariffs and suspended the effective date of the proposed tariffs for five months, up to, and including, May 12, 2016.

On December 9, 2015, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention ("AG"), requested intervention in this matter pursuant to KRS 367.150(8).

The Commission, being otherwise sufficiently advised, finds that such intervention is authorized by statute and that the motion should be granted. The

Commission also finds that a procedural schedule should be established to review the reasonableness of the application and proposed tariffs. The procedural schedule is attached as the Appendix to this Order and is incorporated herein.

IT IS THEREFORE ORDERED that:

1. The AG's motion for intervention is granted.
2. The AG shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. The AG shall comply with all provisions of the Commission's regulation, 807 KAR 5:001, Section 8, related to the service and electronic filing of documents.
4. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of entry of this Order, the AG shall file a written statement with the Commission that:
  - a. Certifies that the AG, or the AG's agent, possesses the facilities to receive electronic transmissions; and
  - b. Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served.
5. The procedural schedule set forth in the appendix to this Order shall be followed.
6. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed and shall include the name of the witness

responsible for responding to questions related to the information provided, with an electronic version and an original in paper medium to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Any party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that the personal information cannot be read.

7. Any party filing testimony shall comply with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, and shall file with the Commission an original in paper medium and an electronic copy. The copy in paper medium should be appropriately bound, tabbed and indexed.

8. LG&E/KU shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov." At the time publication is requested, LG&E/KU shall forward a duplicate of the notice and request to the Commission.

9. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), the official record of the proceeding shall be by video only.

10. At the public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

11. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

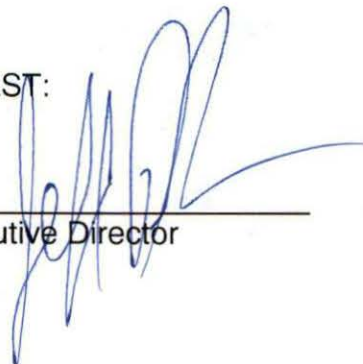

12. A person who submits a motion to intervene after December 22, 2015, and upon a showing of good cause is granted full intervention, shall accept and abide by the existing procedural schedule.

13. Nothing herein shall prevent the Commission from issuing further Orders in this matter prior to the end of the suspension period.

By the Commission
