RE: Return of Records

Dear Mr. Gardner:

On March 16, 2016, I reviewed certain records on file at the Public Service Commission related to Case No. 2015-00382, in which I represent the applicant utility. During my review of the paper copy of the utility's response to the Commission Staff's Second Request for Information, I discovered a two-page letter drafted by my law partner Sarah Charles Wright dated January 20, 2016, that was inadvertently included in the paper filing. This letter was not uploaded onto the Commission's electronic case file. It does not pertain to any utility matter and contains personally sensitive information. I respectfully request that the letter be returned to my law office. If you have any questions, please contact me.

Sincerely,
STURGILL, TURNER, BARKER & MOLONEY, PLLC

M. Todd Osterloh
