

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF EAST KENTUCKY	)	
POWER COOPERATIVE TO IMPLEMENT A NEW	)	CASE NO.
DEMAND-SIDE MANAGEMENT PROGRAM	)	2016-00056

ORDER

On December 30, 2015, East Kentucky Power Cooperative, Inc. ("EKPC") filed a new tariff sheet through the Commission's Electronic Tariff Filing System to add section DSM-11, Owner-Member Outdoor Lighting Program ("DSM-11"), to its tariff effective February 1, 2016. The new program would offer incentives to EKPC's 16 member system cooperatives to install outdoor LED lights for end-use cooperative members.

Having reviewed the proposed tariff, the Commission finds that further proceedings are necessary to determine its reasonableness, that these proceedings cannot be completed prior to the effective date, and that the proposed tariff should be suspended pursuant to KRS 278.190(2).

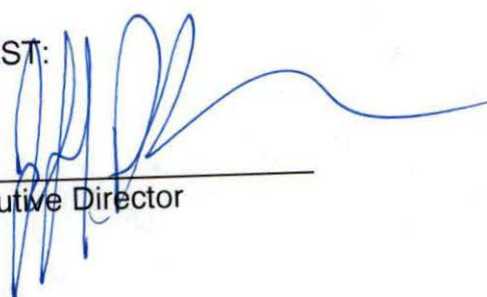

IT IS THEREFORE ORDERED that:

1. This proceeding is established to investigate the reasonableness of the proposed tariff DSM-11.
2. The proposed tariff DSM-11 is suspended for five months from February 1, 2016, up to and including June 30, 2016.

By the Commission
