ORDER

Pursuant to KRS 278.300, Reid Village Water District ("Reid Village") tendered an application ("Application") to the Commission on February 22, 2016, requesting approval to borrow \$401,625 from the Kentucky Infrastructure Authority to purchase an office building and warehouse. After curing filing deficiencies, the Application was considered filed on March 11, 2016. Pursuant to KRS 278.300(2), the Commission must rule on the Application on or before May 9, 2016, unless it is necessary for good cause to continue the Application for a longer time.

To evaluate the reasonableness of the proposed financing, Commission Staff requested additional information on April 1, 2016. Reid Village's responses to that request are due on April 7, 2016. On April 5, 2016, Reid Village filed a motion requesting until May 1, 2016, to respond. In its motion, Reid Village states that its counsel is out of state and will not be available until after April 18, 2016. Since its counsel is unavailable until April 18, 2016, the Commission finds that Reid Village is

unable to timely respond to Commission Staff's request for information, and that Reid Village's motion for additional time should be granted.

Further, as additional time beyond May 9, 2016, is required to allow for the proper review of Reid Village's responses, the Commission finds that there is good cause to continue the Application beyond May 9, 2016.

IT IS THEREFORE ORDERED that:

1. Reid Village's motion for extension of time to respond to Commission Staff's First Request for Information is granted.
2. Reid Village shall file with the Commission its responses to Commission Staff's First Request for Information no later than May 1, 2016.
3. Reid Village's Application for approval of the loan to fund the purchase of improved real property is continued beyond the 60-day period specified in KRS 278.300(2).
