ORDER

On October 31, 2016, Louisville Gas and Electric Company (“LG&E”) filed with this Commission an application requesting to revise rates for its Gas Line Tracker (“GLT”) Rider effective January 1, 2017. On November 18, 2016, the Commission issued an Order suspending LG&E’s proposed GLT tariff up to and including June 1, 2017. By Order dated November 21, 2016, the Attorney General, by and through his Office of Rate Intervention (“AG”), was granted intervention in this matter. LG&E responded to one round of requests for information from both Commission Staff and the AG. Neither party requested a hearing in this matter. The case now stands submitted for decision.

LG&E’s GLT revenue requirement for 2017 is \$31,833,881. The proposed GLT rates reflect this revenue requirement, as well as the \$1,355,673 under-recovery included in the 2015 GLT Balancing Adjustment approved in Case No. 2016-00108.¹

¹ Case No. 2016-00108, *Application of Louisville Gas and Electric Company for Approval of Revised Rates to be Recovered through its Gas Line Tracker Beginning with the First Billing Cycle for May 2016* (Ky. PSC Mar 31, 2016).

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in LG&E's application, along with its responses to the requests for information, is in sufficient detail to support the reasonableness of LG&E's proposed GLT rates.

IT IS HEREBY ORDERED that:

1. The GLT rates in the Appendix to this Order are approved for service rendered by LG&E on and after the date of this Order
2. Within 20 days of the date of this Order, LG&E shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates and tariff revisions approved herein and reflecting that they were approved pursuant to this Order.

By the Commission
