ORDER

The matter is before the Commission upon a motion filed by Kenergy Corp. ("Kenergy") requesting a brief extension of time to file a report on its policy regarding unclaimed capital credits. In support of its motion, Kenergy states that pursuant to the Commission's final Order issued on September 15, 2016, in Case No. 2015-00312,<sup>1</sup> Kenergy was directed to file its policy on the issue of unclaimed capital credits within 90 days of the date of the final Order, or on or before December 14, 2016. Kenergy states that its Board of Directors is scheduled to meet on December 14, 2016, to discuss a proposed policy regarding unclaimed capital credits and that Kenergy would then be in a position to submit such a policy to the Commission by December 28, 2016.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Kenergy has established good cause to permit an extension of time in which to file its policy addressing the issue of unclaimed capital credits.
