INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File

FROM: Quang D. Nguyen, Assistant General Counsel

DATE: June 17, 2016

RE: Case No. 2016-00026

Application of Kentucky Utilities Company for Certificates of Public Convenience and Necessity and Approval of its 2016 Compliance Plan for Recovery by Environmental Surcharge

- and -

Case No. 2016-00027

Application of Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Approval of its 2016 Compliance Plan for Recovery by Environmental Surcharge

Pursuant to an Order issued on June 6, 2016, an informal conference was held on June 9, 2016, at the Commission's offices in Frankfort, Kentucky. The purpose of the informal conference was to discuss any and all issues in this matter and to allow the parties to engage in settlement discussions. A list of the attendees is attached hereto.

The parties negotiated a unanimous settlement agreement which is intended to resolve all issues in these cases. Commission Staff noted that the proposal to use the current Commission-approved 10 percent return on equity for the proposed 2016 Environmental Compliance Plans would need to be further examined during the formal hearing on these cases scheduled for June 14, 2016, in light of the return on equity awarded to other electric utilities in 2015, and the first quarter of 2016, as reported in the January 14, 2016, and April 15, 2016, editions of Regulatory Research Associates' Regulatory Focus.

There being no further discussions, the informal conference was adjourned.
