RE: WKG Storage, Inc.
Case No. 2016-00053 - Filing Deficiencies

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

(1) 807 KAR 5:001: Section 5(4) – Does notice of proposed rate adjustment meet regulatory requirements?

Each notice shall contain:

1. Dates proposed rates are expected to be filed with the Commission.
2. The present rates and proposed rates for each customer classification to which the proposed rates will apply:
3. The amount of the change requested in both dollar amounts and percentage change for each customer classification to which the proposed rates apply.
4. The amount of the average usage and the effect upon the average bill for each customer classification to which the proposed rates will apply.
5. That a person may examine this application at the main offices of (name of utility) located at (the utility's address).
6. That a person may examine this application at the Commission's office at 211 Sower Boulevard, Frankfort, KY Monday – Friday, 8 a.m. – 4:30 p.m. or through the Commission's website at <http://psc.ky.gov>.
7. Comments regarding the application may be submitted to the Commission through the Commission's Website or via mail at Public Service Commission, P.O. Box 615, Frankfort, KY 40602.

8. That the rates contained in this notice are the rates proposed by (name of utility) but that the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice;
9. That a person may submit a timely written request to intervene to the Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request and including the statutes and interest of the party.
10. If the Commission does not receive a written request for intervention within 30 days of initial publication or mailing of notice, the Commission may take final action on the application.
- (2) 807 KAR 5:076: Section 2(3) – Filed with the commission fully completed annual reports for the immediate past year and for the two (2) prior years if the utility has been in existence that long.
- (3) 807 KAR 5:076: Section 9 - Test Period. The reasonableness of the proposed rates shall be determined using a twelve (12) month historical test period, adjusted for known and measureable changes, that coincides with the reporting period of the applicant's annual report for the immediate past year.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
