NATHAN EDWIN RAINWATER,

COMPLAINANT

VS.

A N S W E R

KENERGY, CORP.,

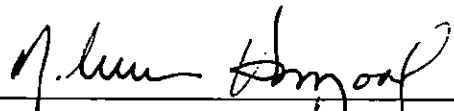

DEFENDANT

Defendant, **KENERGY CORP. ("Kenergy")** for its answer states as follows:

1. Kenergy admits that **NATHAN EDWIN RAINWATER** is a Kenergy member whose bill for electric usage in March 2015 was \$1,015.36.
2. Kenergy admits that Nathan Edwin Rainwater paid \$490.47. Kenergy denies the remaining allegations in the complaint.
3. Kenergy states affirmatively that it tested Mr. Rainwater's meter and found it to be accurate. However, Kenergy acknowledges that PSC test results on the meter were inconclusive. As such, Kenergy has adjusted Mr. Rainwater's March 2015 energy bill down to the \$490.47 amount and resolved this matter amicably with Mr. Rainwater.

WHEREFORE, Kenergy Corp. asks that the complaint be dismissed with prejudice and for any and all other relief to which it may be properly entitled.
