RE: Case No. 2016-00130

Dear Mr. Greenwell:

Delta hereby requests a waiver of the 30 day notice as required by KRS 278.180. Delta mailed its GCR filing in the above-styled case on March 24, 2016 requesting an effective date for the first billing cycle of May 2016, which includes meters read on and after April 25, 2016. This filing was sent certified mail on March 24, 2016; however, due to the Good Friday holiday it was not received until March 28, 2016. As such, Delta hereby requests a shortened notice requirement.

Thank you for your consideration of this matter.

If you have any questions or need any additional information, please contact me.

Sincerely,

Jenny Lowery Croft
