Re: Christian County Water District PSC Application

Dear Mr. Derouen:

Enclosed please find the original and ten (10) copies of the Application of the Christian County Water District for an Order authorizing the District to issue securities pursuant to KRS 278.300. 2016-00138

This Application requests approval of the issuance of securities for the purpose of reamortizing a loan from the Kentucky Rural Water Finance Corporation.

Please be advised that the District is requesting the Commission to expedite this Application and issue the approving Order on or before May 1, 2016 due to the fact that an upward shift in the current interest rate market could negate any interest cost savings to the District.

Thank you for your assistance and if you need any additional information or documentation, please let us know.

Sincerely,

Rubin & Hays
